FROM THE MEL

Dear Fans,

Our inaugural year was a big success and that is all thanks to you, the members of the Dugout Club. We are looking for another successful year in 2011-12, on and off the field.

Our main goal this year is to raise enough money to be able to upgrade our players' experience throughout their college career. There are also some upgrades to our facilities that we are trying to accomplish, including new batting cages behind right field, and a new tractor to cut the grass and drag the infield. These will help make the college experience the best that it can be for the players.

We would like to take the opportunity thank everyone who donated last year, as well as those who will be donating this year. We truly appreciate your support, on and off the field!

St. Norbert Baseball Coaching Staff

DUGOUT CLUB GOALS

- Improve our travel arrangements
- Upgrade on our current facilities
- Increase our working budget
- Upgrade our equipment and apparel

The Dugout Club is an organization that was developed to support the St. Norbert College baseball team on and off the field. Its goals are set every year and they will be changed to meet the team's needs and wants.

We are looking to establish an elite group of Green Knight fans—former players, family of players, and anyone who has an interest in the St. Norbert College baseball team. The Knights are very excited to be part of a vibrant college community, and eager to make progress in a championship direction.
