2007 SCHEDULE
Be a part of the exciting student-athlete tradition at St. Norbert College.

The modern-era Midwest Conference was created in 1954 with the merger of the Midwest Collegiate Athletic Conference, which has been sponsoring men’s championships since 1921, and the Midwest Athletic Conference for Women, which was formed to conduct women’s championships since 1955. The MWC provides intercollegiate competition for 10 schools in Illinois, Iowa, Michigan, Minnesota and Wisconsin. Men’s and women’s championships have been awarded since 1921.

The purpose of the conference since its formation has been to "maintain athletic activities on a plane in keeping with the dignity and high purpose of the university and to conduct them in a manner that will furnish wholesome recreation and instruction among student athletes.

The NCAA and Midwest Conference promote courteous and fair conduct in all aspects of athletic competition. Profanity, racist or sexist comments, or other intimidating actions will not be tolerated.

The young women and men who wear St. Norbert College green and gold are devoted to excellence in athletics as well as in the classroom. They are also outstanding students. At St. Norbert, we help students balance the demands of academics and sports, with academics always our first priority. We are usually proud of our athletic success as we are of our academic graduation rates. Participants in Green Knights athletics boast a higher GPA than the overall student population—a testament to the College’s commitment to high achievement among student athletes.

Nearly one quarter of our students are involved in athletic activities. They recognize that the values and lessons learned in competitive athletics translate to excellence in academics, as well as in life.
