Grades 4-12

**SUNDAY, OCTOBER 4, 2009**

**9:00am – 12:00pm**

**Mel Nicks Field  
on the St. Norbert Campus**

Welcome to Green Knight Softball! Join us for our Fall Clinic, where we will focus on fundamental softball instruction for pitching, hitting, and fielding! This is a great chance for players to improve their softball skills while becoming students of the game. Bring your glove, bat, and batting gloves! Learn lots and have fun!

**Clinic Director:** SNC Head Coach JoAnn Krueger will direct the clinic. Coach Krueger, a Wisconsin ASA Hall of Famer in her 13th season at St. Norbert, has an extensive softball background, including experience working with girls of all ages as they develop their softball skills.

**Instructors:** Current St. Norbert College players will work one-on-one with clinic participants, as well as SNC Assistant Softball Coaches Jean Kramer and Kate Geenen. Kramer, a Wisconsin ASA Hall of Famer, has coached women's softball in Wisconsin for 15 years. Geenen is a 1989 SNC graduate and member of the St. Norbert College Hall of Fame. We are also pleased to welcome Liza Brown, former WPSL and College World Series pitcher, who will offer championship pitching instruction!
