

St. Norbert College – Campus Safety Department (Updated March 26, 2010)
TORNADO AWARENESS

A TORNADO WATCH is issued to alert people to the possibility of tornado development in your area.

A TORNADO WARNING is issued when a tornado has actually been sighted or is indicated by radar.

In the event of a TORNADO WARNING, **SEEK SHELTER IMMEDIATELY**

Generally, you should seek shelter in a basement or the lowest floor center hallway. Avoid gyms and auditoriums. Stay away from windows.
