Edison Middle School, Green Bay, WI

January 2007 – March 2007

Student Teacher of English Language Arts for five 8th grade classes; Reading Student Teacher for 6th grade Bilingual Immersion class

- Created original lesson plans to meet Wisconsin benchmark standards for middle school students
- Led students in explication of literary pieces, including: novels, poetry, and short stories
- Incorporated journal writing as a staple element within the classroom, particularly tied to the critical thinking process
- Ran a well-organized debate regarding social topics relating to literature
- Managed classroom successfully, particularly a class consisting of over 50% EBD students
- Directed and taught students in both English and Spanish

Parkview Middle School, Green Bay, WI

January 2006 – April 2006

Junior Field Experience Teacher of Literature Circles and Personal Finances in grade 8

- Led simultaneously two small groups of students in literature circles
- Initiated critical analysis and reflective thinking about literature books
- Connected literary readings to the personal experiences of adolescent students
- Designed and implemented a simulation in which students managed the finances involved in: attending a university; working a full-time job; buying a car; paying a mortgage; taking out insurance; and budgeting for everyday, as well as unexpected, expenses

Wrightstown Middle School, Wrightstown, WI

March 2005 – May 2005

Sophomore Block Teacher of English Language Arts in grade 7

- Led students in explication of adolescent novel *The Giver*
- Incorporated vocabulary development into reading comprehension
- Served as an academic translator for a student who recently arrived from Mexico in Math and Science classes daily
- Setup and ran a lunch-time study program for struggling Language Arts students
- Insured students' personal growths by implementing outreach activities within the Wrightstown community, such as visiting a local retirement home and having students lead craft projects at a daycare facility
