

## MODERN LANGUAGES AND LITERATURES Graduate Survey Data

### Overview of Data

Each year the Office of Career & Professional Development surveys new graduates about their post-graduation pursuits to learn whether they have secured employment, are attending graduate school, or are full-time volunteering. Graduate data is gathered through online surveys, college records, and LinkedIn. Tables below include information for the classes of 2011, 2012, 2013, 2014, 2015, and 2016.
