5.						

Have you previously applied to St. Norbert College? yes no If yes, when? _____

Directions for completing the St. Norbert College international student application

- Application for direct admission to a St. Norbert College degree program: we accept faxed documents on condition the original documents are mailed to the college prior to registration. Complete applications require:
 1. Completed application signed by the student. Parent(s) also must sign if the student is under the age of 21. Attach copy of passport “identification page.”
 2. Secondary school transcripts with English translation. University transfer students must send transcripts. (We may require a course evaluation fee in order to grant transfer credit.)
 3. Financial statements showing funds available for one year of undergraduate study. Please include letter or statement from parents, sponsor or bank stating source and amount of funding.
 4. TOEFL or IELTS score: TOEFL minimum scores are pbt 550 and iBT 80; IELTS score 6.5 composite. Note: Students who graduate from an English-only secondary school, an IB program or can demonstrate English fluency may be waived from TOEFL or IELTS requirements based on academic records. SAT or ACT scores may be submitted as supplements to an application but are not required.
 5. Include an essay of no more than 500 words written without help. The essay may be written on the topic, “Why I want to study at an American university” or may be a personal statement of purpose. Typed essays are strongly encouraged.
 6. Optional: Send copies of special recognitions and awards. Include awards in sports, music, art, community service and leadership. These awards help us determine scholarship and grant opportunities.
 7. Send \$50 application fee with original documents or certified copies of original documents.
- Conditional admission to St. Norbert College degree program: applications may come from students who do not have a TOEFL score or whose score does not meet our requirement.

Students may apply for admission to a degree program at St. Norbert College without a TOEFL or IELTS score. If high school grades and financial documents are acceptable, a “Conditional Letter of Admission” will be issued to the student along with an I-20 from the ESL program. Students will take a language placement test when they arrive at St. Norbert College. If the language scores are low, the student will take English language courses in the non-credit ESL program before beginning a degree program. Faxed applications are acceptable provided the original documents are received before the start of ESL classes. Application requirements are the same as those listed above. ESL students need about \$2,000 per month to pay all school fees and living costs while enrolled in the ESL program. Preliminary scholarships to degree programs will be offered to highly qualified students who are conditionally admitted to a degree program. Students in the ESL program do not receive scholarship funding from St. Norbert College.
