Given the projected $3.6 billion state budget deficit over the next two years, the Governor has proposed a number of spending cuts to try to decrease this deficit. For the following cuts, please tell me whether you approve or disapprove of this cut as a way to help decrease the state’s budget deficit.

Some states are considering some tax increases in addition to spending cuts as a way to decrease their budget deficits. Do you think Wisconsin should consider tax increases along with spending cuts or do you oppose any tax increases?

- Favor ............................................................... 32%
- Oppose ............................................................ 58%
- Depends (please specify...) ........................................ 8%
- Not Sure ............................................................ 2%
- Refused .............................................................. <1%

• NOTE: Percentages may not add to 100% due to rounding.
Of “DEPENDS”:
Who will get taxed................................................................. 39%
   General mention
   Everyone, no exemptions
   Businesses ok
   the Wealthy ok
   not people on fixed incomes
What will they spend it on.................................................... 32%
   General mention
   Must prove the need for it
   tax must go to specific programs
   only for reducing the deficit
   ok for education
   accompanied by spending cuts
What will get taxed............................................................. 18%
   General mention
   cigarettes and liquor ok
   sales tax ok
How big an increase ........................................................... 7%
   Moderate ok
Huge debt ............................................................................. 4%

Do you think public employees should or should not have the right to collectively bargain for wages?
Should ................................................................. 61%
Should Not ................................................................. 35%
Not Sure................................................................. 4%
Refused ................................................................. <1%

Do you think public employees should or should not have the right to collectively bargain for health and retirement benefits?
Should ................................................................. 54%
Should Not ................................................................. 42%
Not Sure................................................................. 4%
Refused ................................................................. <1%

In the budget debate in Wisconsin, do you feel that the issue of collective bargaining for public employees has been more about trying to decrease the budget deficit or more about trying to decrease the power of public sector unions?
Decreasing the Budget Deficit ............................................ 31%
Decreasing the Power of Public Sector Unions ............... 57%
Not Sure........................................................................ 12%
Refused ...................................................................... 0%
Do you approve or disapprove of the State Senate Republicans removing the collective bargaining law from the fiscal bill and then voting on it as a non-fiscal issue?

- Approve .......................................................... 39%
- Disapprove ......................................................... 49%
- Not Sure ............................................................. 11%
- Refused ............................................................ 0%

Do you approve or disapprove of the State Senate Democrats leaving the state to delay the vote on the fiscal bill that included collective bargaining?

- Approve .......................................................... 33%
- Disapprove ......................................................... 59%
- Not Sure ............................................................. 8%
- Refused ............................................................ 0%

For the following groups, please tell me whether you have a favorable or unfavorable opinion of that group.
