

The St. Norbert College
Office of Faculty Development
invites you to attend

Spotlight On Scholarship

Throughout the year we will host a series of presentations to recognize professional achievement in scholarship and to celebrate the rich diversity and talents of our colleagues.

This Spotlight on Scholarship features

Mark Bockenbauer
Associate Professor of Geography

Sail Away with a Semester-At-Sea!

Mark Bockenbauer will discuss his Summer 2006 Semester-at-Sea teaching and learning experience, with ports-of-call in Southeast and East Asia. He'll share some images and stories about this one-of-a-kind opportunity, and will present a few of the teaching strategies he used with students aboard the *MV Explorer*, the beautiful 600-foot-long cruise ship that is Semester-at-Sea's floating university. Mark will also encourage you to apply for a faculty position on a summer voyage (or semester-long trip, if that seems like a good sabbatical opportunity to you!)

Tuesday, November 13, 2007
1:00 – 1:50
Union Shield Room

The Office of Faculty Development will provide complimentary refreshments.
