Office of Faculty Development
invites you to attend

Spotlight On Scholarship

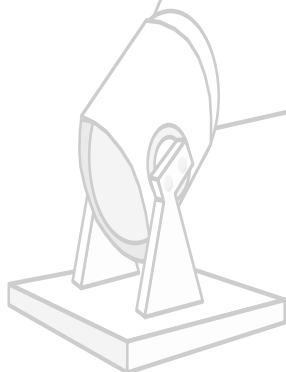

Throughout the year we will host a series of presentations to recognize professional achievement in scholarship and to celebrate the rich diversity and talents of our colleagues.

This Spotlight on Scholarship features

Thomas Kunkel
President of the College

**“How One College President Defines
Research, Scholarship and Creative Work”**

Faculty come in all shapes and sizes and disciplines, and with greatly divergent interests, backgrounds and skill sets. Why, then, does higher education have a fairly monolithic and unyielding view of what constitutes "appropriate" research and scholarship for the purposes of promotion? Are we looking for the right things? Are we utilizing the right measures? Tom offers some food for thought.

Tuesday, May 4, 2010
