“Millennials in the Classroom ”

The Millennial Generation is on campus and they are bringing their family with them! What are their core traits? How do we engage students in the learning process? How can we effectively communicate our expectations? How can we inspire and motivate them while at the same time maintain the integrity of the learning process?

The opportunities and challenges that our students present will be explored in this session, with the following presenters:

Dr. Mary Oling-Sisay, Vice President for Student Life
Ms. Cindi Barnett, Associate Dean of Student Life
Ms. Barb Bloomer, Director of Health Services
Dr. Kurt Weber, Director of Counseling Center
Dr. Scott Kirst, Assistant Professor of Education
Ms. Rosemary Sands, Director of Study Abroad Office

There will be ample time for questions.
