

The Office of Faculty Development Presents

A series of workshops dedicated to promoting an exchange of ideas about teaching and learning.

“The Other Three *R*s in the Classroom: *Reduce, Reuse, Recycle*”

Friday, April 17

3:00 - 4:30 p.m.

Union Shield Room

St. Norbert College is committed to reducing its environmental impact and “achieving carbon neutrality as soon as possible.” Members of the SNC community and the Environmental Sustainability Advisory Committee will share a brief overview of efforts designed to achieve the *Presidents Climate Commitment*. Come share and discuss ideas for integrating sustainability into SNC curriculum and extra-curricular experiences. Design and utilization of a renovated John Minahan Science Building as a green teaching and learning center will also be discussed.

Mark Bockenbauer, Associate Professor of Geography
Lew Pullen, Manager of Mechanical Systems
Larry Scheich, Professor of Chemistry and
Associate Dean of Natural Sciences
