

**Thursday,
July 27, 2006
1:30—3:30
Cofrin 109**

**Jay Cook,
Software Support
Specialist**

Educator is a Course Management System that allows you to put course materials such as syllabi, handouts, announcements and quizzes on the Internet for your students. In this hands-on workshop, you will learn the features and benefits of Educator, and how to get started. Bring your course materials and, time permitting, start preparing for your fall courses.

Please RSVP to Gayle
ext. 3860 or gayle.lenz@snc.edu
