2015 – 2016 Confirmation of Change in Parent Business and/or Farm Investment Net Worth

Student Name ___________________________ Student ID Number ___________________________

Our office received a revised FASFA which shows that your parent(s) updated their business and/or farm investment net worth information on the FAFSA. When you submit the FAFSA for the first time each year, you and your parent(s) must report the value of your assets as they are on that day. Assets cannot be updated at a later date (even if they change or fluctuate), unless they were inaccurately reported on your initial FAFSA application. Therefore, please complete the following questions and return this form by mail, fax or email to:

PARENT(S) BUSINESS/INVESTMENT FARM VALUE:

1. Parent Business and/or Farm Investment Net Worth Value:

☐ Were correctly reported on my original 2015-2016 FAFSA application and should not have been updated. Please update my FASFA to reflect the value of my parent(s) business and/or farm investment net worth to the amounts reported on my original FAFSA application.

☐ Were incorrectly reported on my original 2015-2016 FAFSA application. Therefore, my parent(s) updated my FAFSA to reflect the correct value of their business and/or investment farm net worth that should have been reported on the date I first completed my 2015-2016 FAFSA. Please explain (i.e. erroneously added an extra zero, etc):
