

Tutorial Request Procedure

Honors students of sophomore standing and above who wish to take an Honors tutorial must complete the following form and submit during the specified time periods:

- Spring Semester Tutorials: Requests must be submitted by November 1st
- Fall Semester Tutorials: Requests must be submitted by April 1st

All tutorial requests will be evaluated based on:

- Class standing (sophomore, junior, senior),
- Number of honors courses already completed,
- Course and/or schedule conflict(s).

Tutorial Sign Up Procedure

Students approved to sign up for tutorials will be notified and will be given an override in Knightline. When registering for classes, students will then register for HONR 289: Honors Tutorials.

Following registration, students enrolled in the tutorials will receive an Honors tutorial topic list and further instructions on topic selection.
