# WELCOME TO MADELAINE-LORRAINE HALL!

## ST. NORBERT COLLEGE

### Welcome Home!

Hello and welcome to your new home! As the Hall Director of Madelaine-Lorraine (Mad-Lor), I'm excited to welcome our newest members of the St. Norbert College community to campus and to welcome back those who are returning as well. I, along with the Resident Assistants (see the next pages to learn more about the RAs), have been working hard to prepare for your arrival and are so glad that you are here! We hope that this year will be a great time, full of lots of laughter and fun memories!

As you settle in, there are a couple things that will be helpful for you to know. First, Mad-Lor Hall is broken down into two sides: the Madelaine side which houses men, and the Lorraine side, which houses women. Second, each floor has a bathroom, shower room, and a housekeeping closet in case you need to borrow cleaning supplies or a vacuum. Third, there are garbage chutes on each floor. There are also recycling rooms on the first floor of Madelaine and in the basement of Lorraine. Finally, there is a laundry room on

both the first floor of Madelaine and the basement of Lorraine. If you have any questions about this information or anything else, please feel free to contact me or any of the RAs.

you are here and welcome home!

Again, I am so happy that

*Dana Janusz*
