# Math Club Updates

**The next Math Club meeting is THIS THURSDAY, December 6<sup>th</sup> at 5:30 in COFRIN 204.**

We will be having Pi Mu Epsilon Induction and holding elections for Math Club! And we'll have food!

---

**Congrats!**

Congratulations to the newest members of Pi Mu Epsilon:

Luis Altamirano  
Alicia Brinkman  
Heather Schulze

---

At this week's meeting, we will be holding elections for the officer positions of Math Club. We will be electing:

- President
- Vice President
- Secretary
- Treasurer
- Social Chair(s)

**Also at this week's meeting, we will have a presentation of the first ever squared-wheel bicycle by Dr. Leiterman's Math 489 – Mathematical Modeling Class.**

---

St. Norbert College did better than ever in this year's Michigan Autumn Take-Home (MATH) Challenge. The team of Yi Ren, Weichen Wang, and Renee Wenig finished third out of the 65 teams competing! The team of Adrian Anderson, Drew Johnson, and Mark Krines finished fourth! Prior to this year, the top SNC finish was fifth. SNC's third team, Amie Arnoldussen, Justin Cartier, and Beth Holt also took part in the competition. St. Norbert was the only school to have two of the top eight teams.

---

Congratulations also go out to Valerie Gray, Mark Krines, and Yi Ren, who took the 2007 Putnam Exam this past Saturday.
