2009 FOUNDER'S AWARD

Nominations Welcome!

St. Norbert College, founded in 1898 by Abbot Bernard H. Pennings, O. Praem., continues to follow the principles and values of the Norbertine Order. Members of the college community are asked to strive to bring these principles and values to life both in their professional and personal lives. Therefore, the St. Norbert College Founder's Award is given to college employees and students in recognition of their contributions to the Norbertine tradition and spirit on campus. Honorees will be recognized at the Founder's Day Prayer Breakfast (7:45 a.m.) Wednesday, October 14, 2009.

Selection of individuals for the Founder's Award will be based on their contribution to the College community as embodied through one or more of the following Norbertine principles:

- Community – The individual demonstrates mutual respect and upholds the sacred dignity of all persons, especially embracing diversity in all forms. The individual treats others with a spirit of compassion, forgiveness, and care. As a responsible citizen, the individual exhibits moral character, personal integrity, and professionalism.

- Spiritual Commitment – The individual gives evidence of praying and celebrating with SNC colleagues, and exemplifies the phrase "contemplatives in action."

- Service – The individual exhibits a generous spirit of support in meeting the needs of others, both within and outside the college community.

- Collegiality – The individual works positively and collaboratively with others.

- Learning Community – The individual recognizes SNC as a liberal arts institution supporting education in many forms.

Please explain why you believe the nominated individual should be considered for the Founder's Award. Please complete the following sections as clearly as possible and attach any other relevant information you believe supports this nominee.
