- III. **WHAT DO WE DO?**
  - Our main role is recognition—on campus, regional, and national levels. This is done via OTMs (Of The Month awards).
  - Leadership development seminars/programs/events
  - Other fun activities
- IV. **HOW CAN WE GET PEOPLE INVOLVED/INTERESTED IN NRHH?**
  - We can advertise our “club” or group by simply putting our name out there, via thermoses (or thermals, right Jen?), mini-flashlights, or perhaps, bars of gold.
  - We can post signs or bulletin boards in the hall introducing them to our group and/or the OTM process.
  - A fun social, such as a barbecue.
  - Can we have something that we continually pass around campus?
  - Confusing idea that Marissa was talking about that I didn’t catch because I was zoning out.
  - Let’s litter and hope people pick up after us...and say, “Thanks, you’re cool and hot.”
  - Billy gets me excited.
  - Let’s write-out “National Residence Hall Honorary”
- V. **OTMs**
  - For now, we’ll continue to submit OTMs over the Res Life web page. Then, when the NRHH website is up, we can try a simpler template.
