RELS 322: Religious Heritage of the Hebrew Bible

Personal Statement

At the end of the second paper, write a concluding short statement addressing the following question:

How has our study of the Combat Myth throughout biblical literature and history influenced your understanding of the Judeo-Christian tradition and your own faith perspective?

This will make it possible for the College to complete a General Education survey.

Remember that the second paper is due during the scheduled final examination time (Tuesday, 5/10, 2:15 p.m. - 4:15 p.m.).
