

Adding a Class with an Attached Lab Section

Lab courses have lab times linked to the lecture section. When a student adds a course both the lecture and lab meeting days/times are added to your schedule. Students need to review both lecture and lab sections to avoid time conflicts when adding courses.

The screenshot shows a Microsoft Internet Explorer browser window with the title 'Class Schedule Listing - Microsoft Internet Explorer'. The address bar contains the URL: https://cwisweb.snc.edu:4445/pls/CWIST7/bwckschd.p_disp_listcrse?term_in=200710&subj_in=BIOL&crse_in=115&crn_in=1550. The page content includes:
