

Time Conflicts

In order to add a course that has a Time Conflict Error you must obtain a registration override from the instructor of the course. Contact the Instructor in question and give them your SNC I.D. number, NOT your Password. Once the instructor has logged an override into the system you may view it under the "Checking Your Registration Status" section on *KnightLine*. When it is your time to register you will be able to add the course in question without receiving a registration error.

Use this interface to add or drop classes for the selected term. If you have already registered for the term, those classes will appear in the Class Registered Successfully section. Additional classes may be added in the Add Class table. To add a class enter the Course Reference Number (CRN) in the Add Class table. Classes may be dropped by using the options available in the Action field. If no options are listed in the Action field then the class may not be dropped. When add/drops are complete click Submit Changes.

If you are unsure of which classes to add, click Class Search to review the class schedule.

Current Schedule

| Status | Action | CRN | Subj | Crse | Sec | Level | Cred | Grade | Mode | Title |
|------------------------------------|--------|------|------|------|-----|---------------|-------|--------|------|----------------------|
