

## Registration Status Area

A registration hold will block a student from registering on their priority registration day. Generally, these holds are Financial Holds. If you receive a Financial Hold, please contact the Business Office for details and resolution. Holds can be reviewed in this Registration Status Area of *KnightLine* Registration.

Displayed below are various items which may affect your registration. Your Time Ticket, Holds, Academic Standing, Student Status, Class, and Curriculum may prevent registration or restrict the courses you will be permitted to select.

- You have no Holds which prevent registration.
- Your Academic Standing permits registration.
- Your Student Status permits registration.

Your Class for registration purposes is Freshmen.
