

Login Verification Security Question and Answer Screen

After your first login and change of PIN you will go here next and you will create a "Forgot PIN" question and one word case sensitive answer. Example questions might be: What is my pet's name ? What is my favorite color ? If you forget your PIN in the future, clicking the "Forgot PIN" box will retrieve your question and a successful answer will allow you to reset your PIN.

Login Verification Security Question and Answer

If you forget your PIN, you can reset it yourself without calling for assistance.

Enter your personal Security Question, along with the Answer. This will enable you to reset your PIN and gain access to your information. To help you to remember your answer, limit it to 30 characters, limit spaces, and do not use special characters.

Enter Question:

Answer:

Be sure to remember your answer.
