Rate Terms and Conditions:

Emerald Club Rates: For Emerald Club members using the Emerald Aisle in the United States or Canada, the Rate charged shall be the intermediate car (ICAR) rate. For rentals outside of the Emerald Aisle (including Emerald Club Members renting at non-Emerald Aisle locations), the Rate charged shall be the rate for the vehicle rented.

Weekly and Monthly Rates: For rentals by the same Eligible Renter, weekly rates are six (6) times the Daily Rate for the Vehicle Class rented, and the monthly rate will be four (4) times the Weekly Rate for the Vehicle Class rented.

Mileage/Kilometers: In the United States, except for one-way rentals as may be set forth herein, Rates include free miles up to 3,500 miles per rental for all vehicle classes except pickup trucks, cargo vans and 12- and 15-passenger vans, each of which include 150 free miles per day, 750 free miles per week, and 3,000 free miles per month, as applicable. Any additional miles will incur an additional charge of \$0.25 per mile.

In Canada, except for one-way rentals as may be set forth herein, and with the exception of rentals from Franchisee locations, which may have different kilometer charges or other restrictions, Rates include free kilometers up to 3,500 kilometers per rental for all vehicle classes except pickup trucks, cargo vans and 12- and 15-passenger vans, each of which include 200 free kilometers per day, 1,000 free kilometers per week, and 4,000 free kilometers per month, as applicable. Any additional kilometers will incur an additional charge of \$0.25 per kilometer.

One-Way Rentals: In the United States and Puerto Rico, one-way rentals are available at all National brand locations. One-way rentals must be reserved as such in advance of the rental or Company must arrange such one-way rentals with the applicable Affiliate during the rental period. Rates for National brand rentals originating and terminating in different rental zones, as determined by the applicable Affiliate in its sole discretion, which may be changed from time to time, are set forth above as One-Way Daily Rates. One-Way Daily Rates include unlimited mileage except for Premium through Large SUV vehicle classes and for which the mileage charge shall be \$0.40 per mile. In the event, the rental is terminated at a different location from the originating location except as provided for in this paragraph, Company will incur an additional surcharge.

In Canada, one-way rentals, available at participating National Brand locations and Enterprise Brand Corporately Owned Airport Locations, must be reserved as such in advance of the rental or must be arranged with the applicable Affiliate or licensee during the rental period. At participating airport locations, One-Way Daily Rates include unlimited kilometers, except for Premium through Large SUV vehicle classes, for which the kilometer charge shall be \$0.40 per kilometer. At non-participating rental locations, all authorized or pre-arranged one-way rentals will be charged the Daily Rate with a kilometer charge that will be applied to all kilometers driven during the term of the rental from the date the rental originates. In limited circumstances a drop charge may also apply for any one-way rental, and if reserved in advance, the fee for the drop charge will be provided at that time. In the event, the rental is terminated at a different location from the originating location and such one-way was not authorized or pre-arranged as set forth in this paragraph, Company will incur an additional surcharge.

Vehicle Classes: This Agreement shall apply to all rentals hereunder; provided, however, that DW and third party liability, if included in the Rate, shall not apply for vehicle classes not listed herein or for rentals of exotics and high line vehicles, including, without limitation, vehicles available through the Exotic Car Collection by Enterprise and the National Premium Selection, the makes and models of which may be changed from time to time by the applicable Renting Entity in its sole discretion; and provided, further, that any third party liability insurance prescribed by the applicable Canadian province shall apply. For vehicle classes not listed herein, all National brand locations will apply up to a 15% discount off of the then-current rates the Renting Entity charges its business customers, which rate varies from time to time, differs by Renting Entity location, and is provided at the time the reservation is made, and rates for all Enterprise brand locations will be determined by the applicable Renting Entity in its sole determination.

Surcharge: \$5.00 surcharge will be added to the Rate when the rental commences at a National or Enterprise brand location on a Monday, Tuesday, Wednesday, or Thursday and is returned within twenty-five (25) hours or less.

Direct Billing: If EAN and Company have agreed to a direct billing arrangement, Company will ensure the direct billing code provided by EAN is only accessible by Eligible Renters and is not available to or accessible by the general public. In the event EAN identifies irregular or suspicious rental activity, Company shall cooperate with EAN to investigate such activity. If EAN determines in its sole and absolute discretion that such activity is attributable to non-Eligible Renters, then EAN shall have the right (but not any obligation) to take such actions as may be necessary or appropriate to control the activity, including but not limited to suspending this Agreement, and/or cancelling and re-issuing Account Numbers and other direct billing code(s). Except to the extent of fault on the part of EAN, Company shall be responsible for all amounts owed pursuant to, arising out of, or in connection with a rental by any non-Eligible Renter (including, without limitation, amounts arising from traffic violations, tolls, parking fines and fees, vehicle damage and loss, and reimbursement for third party demands, claims and losses, including attorneys' fees) and shall promptly pay EAN all such amounts upon demand.

Rate Terms and Conditions applicable to Truck rentals (all jurisdictions):

Mileage/Kilometers: Rates include free miles/kilometers only as set forth above. Any additional miles/kilometers will be charged at the rate set forth above.

Operation, Inspection and Maintenance: Company is required to perform a daily inspection of each vehicle rented hereunder, including (a) inspecting the vehicle to identify any damage or potential safety concern, (b) inspecting headlights, running lights, brake lights and turn signals and ensuring proper operation, (c) checking and maintaining all fluid levels, including the hub oil level if applicable (d) checking tires to ensure proper tread depth and tire wear and (e) checking tire pressure and maintaining tire pressure per the manufacturer's recommendations. Company agrees that tire failure due to incorrect pressure or damage caused by the Additional Authorized Driver(s) of the vehicle will be the responsibility of Company. Company will not operate or permit the operation of any vehicle if there is any concern regarding the safe operation of such vehicle or maintenance issues.

Company agrees to make each vehicle rented hereunder available for the purposes of inspection and/or maintenance of such vehicle once every thirty (30) days or earlier if maintenance is required upon not less than three (3) business days' prior notice from EAN. In the event Company does not make the vehicle available pursuant to the foregoing provision, Company shall be responsible for the costs of all such maintenance as well as any related damage arising from Company's delay in making the vehicle available. In the event access to a vehicle is needed prior to the three (3) day notification period, such as for manufacturer recalls, Company shall make the applicable vehicle available to EAN immediately.

Company agrees to provide EAN with mileage updates on each vehicle rented hereunder at a minimum every thirty (30) days and periodically when EAN requests mileage updates verbally or in writing.

Company shall meet all applicable weight class requirements for the vehicles and shall cease operation of a vehicle if (a) difficulties are encountered with the operation or performance with the vehicle; or (b) EAN notifies Company that the vehicle is the subject of a manufacturer recall or is otherwise due for service. If a vehicle rented hereunder is not safely drivable, Company shall have the vehicle towed to a location designated by EAN. Company agrees to immediately notify EAN of any and all breakdowns and/or maintenance needs relating to any vehicles rented hereunder. Failure to provide such notification may result in repair costs that will be the responsibility of Company.

In the event a vehicle's ABS light is illuminated, the hub oil, if applicable, must be immediately checked. In order to obtain an accurate reading of the hub oil level, the vehicle must be on level ground with the wheels pointed straight. If, at any time, including during a daily inspection, it is determined that the hub oil is below the minimum level as indicated on the hubcap window or there appears to be a leak, the vehicle may not be driven, and Company must have it towed to a repair shop designated by EAN.

Company agrees to avoid excessive use of the liftgate while the vehicle is not running and to avoid leaving the dome or box light illuminated for extended periods. If a vehicle's battery dies or needs to be replaced due to any of the foregoing conditions, the repair expense and any related charges shall be the responsibility of Company.

Renter Qualifications: In addition to the other rental qualifications in the Agreement and any Rental Contract, Eligible Renters must be 25 or older in order to rent any vehicles not considered "Light Duty" by EAN.
