

DIAL PATTERNS FOR STUDENTS

Campus	4-digit extension
Emergency	9-911
Local	9-Seven Digit Telephone Number
Toll Free.....	9-1-and the toll free number
Operator Assisted Calls.....	9-00 Wait for Operator
Direct Dial Credit Card*	9-0-Area Code & Telephone Number, Dial Tone, Credit Card Number
International Direct Dial Credit Card*	9-01-Country Code, City Code, Telephone Number, Dial Tone, Credit Card Number

* Credit Cards: all long distance companies do not share a common database for billing purposes. Therefore, "all" credit cards will not be viewed as valid from all calling stations in the United States and foreign countries. If your credit card doesn't work, dial 9-00 and ask for an AT&T operator.

** When dialing international, the # symbol is used to signal when you have finished the dialing sequence. Some countries have shorter or longer numbers than others.
