

College logos and identity marks

The St. Norbert College logo, presidential seal and Green Knight athletic identity are trademarked components of the College's identity. Because of recent changes to some of these identity components, they are no longer freely available on the network or on the College web site.

The Office of Communications maintains master graphic files in a variety of configurations and file types. To acquire digital files of the College logo, presidential seal or athletic identity images, please contact Drew Van Fossen in the Office of Communications at extension 4427, or e-mail him at drew.vanfossen@snc.edu

The use of any of these images is restricted to the College community and is subject to approval from the Office of Communications. External vendors and other entities must not use elements off the College's visual identity without written consent from the Office of Communications.

In the near future, a new identity usage guide will be available on the College web site. There will also be an online form provided for requesting logos and identity marks.

Please direct questions and inquiries to:

Office of Communications
Pennings Activity Center
Phone (920) 403-3557
Fax (920) 403-4010
E-mail: mediarel@snc.edu

Or,

Drew Van Fossen
Director of Communications and Design
(920) 403-4427
