

US America Calling Plans

Important Information

An E911 compliant-CDMA phone, compatible with Cellcom's network, is required. Airtime is billed in 60 second increments. Plan minutes only apply when you are in your calling plan's designated home area. Night and weekend hours are Monday through Friday 9:00 p.m. to 5:59 a.m. and all day Saturday and Sunday. Calls originating and terminating in the home area are toll free. Calls originating in the home area and terminating outside the home area are subject to long distance charges. See sales representative for details. Calls originating outside of the home area are subject to roaming and long distance charges. See sales representative for details.

Cellcom reserves the right to deactivate any voice mailbox that has not been initialized within 60 days of activation or any mailbox that has not had any messages for over 60 days. Voicemail subscribers receive two call forwarding features at no additional charge. Minutes used checking voice mail are deducted from Cellcom-to-Cellcom Minutes while within the Cellcom-to-Cellcom designated area.

Cellcom reserves the right, without notice, to change rates and coverage areas that do not adversely impact the consumer. In all other situations, a notice will be given. Rate maps indicate where rates apply and may not depict actual service availability or wireless coverage. Coverage areas depicted are approximate. To inquire about specific service availability in a geographical area, contact Cellcom Customer Service at (800) 236-0055. Geographic terrain, weather conditions, and type of equipment may affect cellular coverage. Wireless service is subject to technological limitations, including capacity and tower availability.

Prices do not include taxes, fees, or other charges. Taxes on monthly access, airtime, equipment, and long distance may apply. A \$25 line set-up fee will be charged on all new line activations. A Regulatory and Other Recovery Fee will be charged on all rate plans. This charge is associated with the cost of administering and complying with government-mandated programs such as Wireless Number Pooling, TTY (Text Telephone), CALEA (Communication Assistance for Law Enforcement Act) and Wireless Number Portability. A USF (Universal Service Fund) will be charged on all service lines. An E911 or Police and Fire Protection fee will be charged on all service lines. The amount or range of taxes, fees and surcharges vary and are subject to change without notice. See a Cellcom retail location or www.cellcom.com/fees for details. Early termination fees may apply and, if applicable, may be reduced proportionately to the remaining months of the term of the agreement.
