CALL ACROSS THE NATION
CELLCOM'S CLEARLY THE BEST

Important Information

An E911 Compliant-CDMA tri-mode phone, compatible with Cellcom's network, is required. Airtime is billed in 60-second increments. Night and weekend hours are Monday through Friday 9:00 p.m. to 5:59 a.m. and all day Saturday and Sunday.

*Cellcom reserves the right to deactivate any mailbox that has not been initialized within 60 days of activation or any mailbox that has not had any messages for over 60 days. Voice mail subscribers receive two call forwarding features at no additional charge. **Call forwarding includes 60 minutes of forwarding to a non-Cellcom exchange per month. Forwarded calls beyond 60 minutes per month are charged \$.25 per minute. On all forwarded calls additional long distance, roaming charges and taxes may apply.

+Nquire calls are also charged any appropriate airtime and long distance. ++Push-to-Talk capable phone required. The Push-to-Talk service is only available on calls made to and from Cellcom Push-to-Talk subscribers. Push-to-Talk calls may be initiated anywhere you can receive a wireless signal. Wireless calling plan minutes are not affected. +++After initial Quik|TxT package messages have been depleted, additional message rates are 10¢ (send, forward or reply). All incoming messages are free. Text messaging capable phone required. To receive information from the internet, you must sign-up with a third party provider. Messages can be sent and received when using Cellcom's digital network. While roaming, functionality may vary. Ability to receive messages in any geographic area is not an indication that you can send messages. There is no guarantee of actual delivery or delivery within a specific period of time.

++++Cellcom Xtras Requires a compatible 1x data phone for feature use. Not all features are capable with all devices. Owner is responsible for all data charges. Data use applies to all browsing, downloads and sent and received messages. Data use allowance and overage rates depend on the service plan selected. All data use is billed in kilobytes with each session rounded to the next highest kilobyte. Cellcom Xtras unlimited data feature is not intended for use in providing connectivity to computers. Extended sessions exceeding 30 minutes in duration are subject to service suspension. Should you require extended data sessions, see Cellcom representative for product information. You can reach Customer Service free from anywhere in the Cellcom service area just by dialing 611 from your wireless phone. Service is only available when accessing a Cellcom tower that is data enabled. Full send and receive functions available in this area with digital service and a compatible device. *Picture messaging capable phone and subscription to monthly usage plan is required. Without a picture package subscription picture messages sent will be charged \$0.25 per message. Sending and receiving picture messages is only available in the Cellcom Xtras coverage area. Charges will apply for picture messages sent from your phone, even if not delivered to the intended recipient due to system or compatibility issues. Picture messages sent to your phone will incur no charges unless you open and download them. Customers not subscribed to a Cellcom Xtras data plan will incur a \$4.50 BREW application fee (this is a one time fee) after the first BREW download. Ringtones can only be downloaded with a BREW capable phone. Downloaded applications cannot be transferred if phone is returned, upgraded, exchanged, lost or stolen. Not all BREW applications are available on all BREW phones. BREW is a trademark of QUALCOMM, Inc.

Cellcom reserves the right, without notice, to change rates and coverage areas that do not adversely impact the consumer. In all other situations, a notice will be given. Rate maps indicate where rates apply and may not depict actual service availability or wireless coverage. Coverage areas depicted are approximate. To inquire about specific service availability in a geographical area, contact Cellcom's customer service at 800-236-0055. Geographic terrain, weather conditions, and type of equipment may affect cellular coverage. Wireless service is subject to technological limitations, including capacity and tower availability. Prices do not include taxes, fees, or other charges. Taxes on monthly access, airtime, equipment, and long distance may apply. A \$25 line set-up fee applies to new line activations on primary lines (on calling plans less than \$40.00) and all add-a-lines. A Federal Regulatory Fee of \$1.60 will be charged on all rate plans. This charge is associated with the cost of administering and complying with government-mandated programs such as USF (Universal Service Fund), Wireless Number Pooling, TTY (Text Telephone), C.A.L.E.A. (Communication Assistance for Law Enforcement Act) and Wireless Number Portability. An early termination fee of \$200 may be charged. A V.E.911 fee of \$0.83 will be charged on all calling plans.
