The Camp Experience

Individual Instruction — The first half of camp will consist of ball-handling, shooting and passing drills aimed at improving individual skill. There will be a high coach-to-camper ratio, allowing each camper to receive optimum individual attention.

Games/Contests — The second half of camp will feature numerous individual and partner contests and games. Each team will have a maximum of one sub, allowing each camper to enjoy a substantial amount of playing time. A coach on staff will be coaching each team throughout the week.

Awards — Throughout the week, awards will be given for contest- and game-winners. The last day of camp will conclude with an awards ceremony, recognizing campers for their efforts and talents shown during camp.
