SOCIOLOGY

Graduate Survey Data

Overview of Data
Each year the Office of Career & Professional Development surveys new graduates about their post-graduation pursuits to learn whether they have secured employment, are attending graduate school, or are full-time volunteering. Graduate is data is gathered through online surveys, college records, and LinkedIn. Tables below include information for the classes of 2011, 2012, 2013, 2014, 2015, and 2016.

Sociology Graduate Survey Data
The below results are specific to graduates who indicated they were sociology majors when replying to the surveys.
(Note: the numbers might not add up because not all respondents completed all survey questions)
