Please list games in order played Before opponents name indicate Opp Code number using code list provided Indicate overtime games with OT 2 OT etc For Site use 1 for home games leave blank for away games and 3 4 5 for each DIFFERENT neutral site List the arena city and state for each DIFFERENT neutral site in the space provided below. If you have more than one home court please include all games played in your home city or nearby cities in which you would be regarded as having the home crowd. For the attendance column separate those home games played as double headers with the men's team in which one attendance total is used for both games from those home games played alone or games in which men's and women's attendance was counted separately (see note after attendance summary) in the DH column mark an X ONLY for those home games in which one attendance total is used. List attendance for ALL games regardless of site. Attendance should include all students at the game—regardless of whether they paid admission. If you do not charge admission or count attendance please estimate the total number of spectators at each home game. Please remember—only games against four year and senior. U.S. colleges with varsity teams are included in statistics and won lost record.
