02008 SCHEDULE

The NCAA and Midwest Conferences work to promote fairness and respect among student athletes. We recognize that the values and lessons learned through competitive athletics translate to excellence in academics, as well as life.

The young women and men who wear St. Norbert College green and gold are talented athletes, as proven by their dramatic athletic success. But they are also outstanding students. At St. Norbert, we help students balance the demands of study and sports, with academics always our first priority. We are equally proud of our athletic success as we are of our athletic graduation rates. Participants in Green Knight athletics boast a higher GPA than the overall student population — testament to the College's commitment to high achievement among student athletes.

The Midwest Conference was created in 1921 with the merger of the Midwest Collegiate Athletic Conference, which has been sponsoring men's championships since 1907, and the Midwest Athletic Conference for Women, which was formed to conduct women's championship competition in 1977. The MWCC provides intercollegiate competition for 10 schools in Illinois, Iowa and Wisconsin. Champions are awarded at the conclusion of each championship in 10 men's sports and 10 women's sports. The MWCC maintains a website to provide information on MWCC and its activities. The MWCC is a member of the NCAA.
