St. Norbert College 15 oz. El Grande Dad Mug

Feature Staff/Faculty: Clay Van Diest

Clay was raised in Helena, Montana where his dad is a successful Hall of Fame College Football Coach, and his Mom is a 3rd grade teacher. At the age of 16 he moved away from home to attend a private Catholic Prep School in Canada called Athol Murray College of Notre Dame. He then went on to play 3 seasons of Junior A hockey in Canada, where he was recruited to play at St. Norbert College for the Men's program.

As a student at St. Norbert College, Clay was a member of the 2018 National Championship hockey team where he received the National Elite 90 Award for Academic Success as a Student-Athlete. He was also a Co-Founder of the Catholic Men's group on campus called Frassati, served on the Parish Council for 3 years, and graduated Suma Cum Laude in English and Secondary Education with a minor in Theology in May, 2019.

Clay fell in love with St. Norbert College, and decided to stay around following his graduation as an Assistant Hockey Coach for the Women's Hockey Team. He was then hired as an Admission Counselor by the College, and will continue to work with kids from Minnesota and Western Wisconsin. Clay is excited to be staying in his "Second Home," and hopes to bring more kids to campus that will have the same amazing experience he had.
