

**ACCOUNTING**  
**Graduate Survey Results**

**Overview of Data**

Each year the Office of Career and Professional Development surveys new graduates about their post-graduation pursuits to learn whether they have secured employment, are attending graduate school, or are full-time volunteering. Graduate data is gathered through online surveys, college records, and LinkedIn. Tables below include information for the classes of 2011, 2012, 2013, 2014, 2015, 2016, and 2017.

**Accounting Graduate Survey Data**

The results below are specific to graduates who indicated they were accounting majors when replying to the surveys. (Note: the numbers might not add up because not all respondents completed all survey questions)
