

ENVIRONMENTAL/NATURAL SCIENCE Graduate Survey Data

Overview of Data

Each year the Office of Career & Professional Development surveys new graduates about their post-graduation pursuits to learn whether they have secured employment, are attending graduate school, or are full-time volunteering. Graduate data is gathered through online surveys, college records, and LinkedIn. Tables below include information for the classes of 2011, 2012, 2013, 2014, 2015, 2016, and 2017.

Environmental/Natural Science Graduate Survey Data

The results below are specific to graduates who indicated they were environmental/natural science majors when replying to the surveys.

(Note: the numbers might not add up because not all respondents completed all survey questions)

Grad Year	# of Graduates	# Grads with Data	# Employed	# Attending Grad School	Average Salary
2017	4	2	0	2	N/A
2016	5	5	1	4	\$30,000-\$40,000
2015	4	4	3	1	\$35,001-\$45,000
2014	5	4	4	0	\$35,001-\$45,000
2013	2	1	1	0	N/A
2012	2	1	1	0	\$20,001-\$30,000
2011	2	0	0	0	N/A

Natural/Environmental Science Employment Data

Below is a sample of employers and position titles as reported by SNC graduates.

Job Title	Employer	Location of Employers
Administrative Services – Team Lead	Ameriprise Auto & Home Insurance	Wisconsin
Assistant Environmental Scientist	Carver County	Minnesota
Graduate Student Researcher	Conservation International	Illinois
Science Teacher	Marshall High School	Wisconsin
Lab Processing Assistant	Mayo Clinic	Minnesota
GIS Manager	Robert E. Lee & Associates, Inc.	Wisconsin
Guest Experience Ambassador	Shedd Aquarium	Illinois
Environmental Underwriter	Tokio Marine Management, Inc	Illinois
Environmental Specialist	Veolia ES Technical Solutions	Wisconsin

Natural/Environmental Science Graduate School Data

Below is a sample of graduate schools and programs as reported by SNC graduates.

Programs	Universities
BSN	Bellin
Geology	Bowling Green State University
Pharmaceutical Medicine	Concordia University
Environmental Science	University of Minnesota-Mankato
Pharmacy	UW-Madison

All Majors Graduate Survey Data

The results below are reflective of all graduates who completed the Graduate Survey
(Note: the percentages might not add up to 100% as Military and Other categories are not included)

Grad Year	# of Grads	# of Responses	Response Rate	Working Full-Time	Working Part-Time	Seeking Employment	Full-Time Volunteer	Average Salary	Attending Grad School
2017	429	250	58.3%	78.6%		2.1%	2.4%	\$35,001-\$45,000	15.6%
2016	506	298	59.0%	77.0%		5.2%	1.0%	\$35,001-\$45,000	13.3%
2015	505	262	51.9%	75.9%		4.0%	3.2%	\$35,001-\$45,000	14.3%
2014	506	275	54.4%	70.6%		6.5%	2.9%	\$30,001-\$40,000	10.9%
2013	439	249	57.2%	81.1%		5.2%	1.2%	\$30,001-\$40,000	12.1%
2012	404	271	67.0%	78.2%		7.0%	1.5%	\$30,001-\$40,000	12.5%
2011	460	204	44.3%	59.3%	19.2%	3.0%	3.0%	\$30,001-\$40,000	13.7%

For questions or more detailed information please contact The Office of Career & Professional Development.

Environmental/Natural Science Internships

Up to 60% of employers offer full-time jobs to their interns. Internships are just about the best thing you can do for your career. Learn more at: www.snc.edu/go/studentinternships. The list below provides information on where several SNC environmental science students have interned in the past.

- Another Wild Goose Chase LLC
- Brown County Public Works
- City of Green Bay

Career & Professional Development Resources

Every student, freshman through senior, should be working with the Office of Career & Professional Development. You can turn to Career & Professional Development for help and information about:

- Choosing a major
- Exploring your interests, values, skills, and personality
- Resume/cover letter writing
- Interview preparation
- Internship search and registration
- Job search strategies
- Networking connections
- Graduate school research and applications
- Post-graduate volunteer opportunities
- Individual career counseling
