

MODERN LANGUAGES AND LITERATURES Graduate Survey Data

Overview of Data

Each year the Office of Career & Professional Development surveys new graduates about their post-graduation pursuits to learn whether they have secured employment, are attending graduate school, or are full-time volunteering. Graduate data is gathered through online surveys, college records, and LinkedIn. Tables below include information for the classes of 2011, 2012, 2013, 2014, 2015, 2016, and 2017.

Modern Languages and Literatures Graduate Survey Data

The below results are specific to graduates who indicated they were modern languages and literatures majors when replying to the surveys.

(Note: the below numbers might not add up because not all respondents completed all survey questions)
