Why Partner With St. Norbert College?

An Exceptional Reputation with Employers. One measure of a St. Norbert College education is the continuing endorsement of the companies that hire our graduates. More than 96 percent of alumni report being employed or attending graduate school when surveyed nine months after graduation.

A Variety of Disciplines. SNC students can understand and work with and across different disciplines and have the breadth and depth of skills to meet employers’ ever-changing talent needs.

Internships and Networking Prepare Students for a Bright Future. St. Norbert College students are goal-oriented and focused. SNC offers more than 40 programs, backed by one of the best four-year graduation rates in the Midwest and our four-year graduation guarantee. They network with professors and with our loyal alumni to make internship and career connections.

Community Oriented Perspective. SNC students understand how they interconnect on a global scale and possess the passion for helping communities thrive.
St. Norbert College's Office of Career & Professional Development provides a wide variety of services and programs to meet your human resource needs. Here is a sampling:

**St. Norbert College Handshake**
Register with our online career platform, Handshake. Most employer services, including on-campus recruiting, events and job postings, are accessible through Handshake. We can further promote your job postings and events via targeted emails to students and alumni that would be a good fit for your specific opportunities.

**Job Postings and Resume Referral**
Post internship, co-op, and full-time openings directly to St. Norbert College's job-posting service through Handshake. Postings are viewed by all students, internship candidates, and alumni. Employers control the dates of the postings and can efficiently copy position descriptions into the system.

**On-campus Interviews**
Meet with students in our interview center in Todd Wehr Hall, complete with greeting space, private interview rooms, wireless Internet access throughout the building, and plentiful parking.

**Recruiting Arrangements**
The Office of Career & Professional Development can help you manage your on-campus recruiting efforts. On-campus interviewing is facilitated via Handshake. Interviews will only be scheduled when classes are in session. Set up your schedule four weeks in advance to allow for greater publicity and candidate cultivation.

**Career Fairs**
Our premier on-campus events, the bi-annual career fair, attracts significant numbers of current students seeking full-time jobs and internship positions. Through Handshake, we are also able to host virtual fairs of any size. Meet students and increase your organization's visibility at our two annual Career & Internship Fairs, which average more than 55+ employers and approximately 200 students. The Fall fair in September and Spring fair in February are designed for both intern candidates and graduating students.
