Student Speaker

Macy Edwards '25

Macy Edwards '25 is from Kingsford, Mich. She majored in biology and minored in Spanish. During her three years at St. Norbert College, she worked in Ruth's Marketplace and tutored for the English as a Second Language program. She was a member of Alpha Xi Delta's Iota Lambda chapter and served as the vice president of financial operations her junior and senior years. She was also inducted into Phi Sigma Iota (foreign language honor society) in April 2023. In January 2024, Macy had the opportunity to go on a global seminar trip to Italy and Spain, led by David Bailey and Joel Mann, where she practiced her Spanish speaking skills and studied neuroscience and its history.

While on campus, Macy strived to make all of her peers feel heard, welcomed and appreciated in any space she entered. Her plan after graduation is to attend the National University of Health Science in Lombard, Ill., to pursue a career as a doctor of naturopathy, acupuncturist and Chinese herbalist. After six years there, she aspires to open her own practice that focuses on holistic wellness.

All seniors are invited for consideration to represent their class as the Commencement student speaker.

The Rev. Dennis Holtschneider, C.M., Ed.D.

The Rev. Dennis H. Holtschneider, C.M., Ed.D., has been a source of inspiration to others as he has masterfully balanced several fundamental roles: a Vincentian priest, a visionary leader, a devoted educator, a passionate advocate for Catholic higher education, a community builder, and a compassionate servant of the church. His countless contributions to higher education have left a profound and lasting impact on the communities he has served and continues to serve.

A native of Detroit, Mich., Holtschneider earned a Bachelor of Arts in Mathematics from Niagara University. He joined the Eastern Province of the Congregation of the Mission, commonly known as the Vincentians after the congregation's founder, St. Vincent de Paul. He studied to join the priesthood at Mary Immaculate Seminary, where he earned a Master of Divinity and a Master of Theology, and he was ordained a priest in 1989. Holtschneider followed his love for learning and pursued further graduate studies at Harvard University, where he earned a Doctorate of Education Administration, Planning, and Social Policy.

Finding his calling, he began working in higher education and has remained committed to the field ever since. Holtschneider taught at St. John's University and the University of Buffalo, both in New York, and held administrative roles, including Executive Vice President at Niagara University.

In 2004, he was named the 11th President of DePaul University in Chicago. Holtschneider's visionary, mission-focused, and student-first leadership turned DePaul from "the little school under the L," to a contemporary university that strengthened its Catholic, Vincentian, and urban mission, while reaching exciting new levels of academic achievement and recognition.

Holtschneider received national recognition for his efforts to connect DePaul to the local urban community of Chicago, reflecting DePaul's Vincentian and urban mission, as well as our Norbertine value of *stabilitas loci*, or stability of place, with a special emphasis on serving the local community.

Holtschneider's influence extends far beyond the grounds of DePaul University. After leaving DePaul, he went on to serve as the Chief Operations Officer at Ascension, the nation's largest Catholic health care system. He was the President of the Association of Catholic Colleges and Universities and served on a number of boards and advocacy groups for higher education. In these roles, Holtschneider initiated national discussions on the future of Catholic higher education.

He currently serves DePaul University as chancellor and as a Bernardin Fellow of Church Leadership at Catholic Theological Union in Chicago.

In recognition of his distinguished service to the church, Catholic higher education, and the many communities he has served, we are proud to bestow upon the Rev. Dennis H. Holtschneider, C.M., Ed.D., the degree of Doctor of Laws, *honoris causa*.

Faculty Award Recipients

The Rev. Dennis Burke, O. Praem., Leadership Award **Eric High, Ph.D.**

Named after the Rev. Dennis Burke, O. Praem., a Norbertine who served as the second president of the college from 1955 to 1968, the award is given for sustained leadership, commitment and excellence related to activities that have enhanced the college. The Rev. Burke was renowned for his leadership and commitment, and this award is intended to recognize faculty who have attained the rank of professor and who demonstrate those same attributes in an ongoing manner. Consequently, it is intended to recognize those individuals who have shown significant collegial and/or administrative leadership and commitment to the ideals and mission of the college, particularly since achieving the rank of professor.

The Donald B. King Distinguished Scholar Award **Deborah Anderson, Ph.D.**

This award publicly recognizes and rewards faculty who have made significant professional contributions in their respective fields of study. The criteria for selection include the quality and significance of the scholarship and/or creative works as ascertained by peer review; degree of professional recognition; prestigious grants and honors received; presentations made at local, regional and national conferences; and effective integration of scholarship and pedagogy. The recipients of the award are chosen by the president based upon the recommendations of the divisional deans and the vice president for academic affairs of the college. The Distinguished Scholar Award is named in honor of Donald B. King, a classics scholar who served as dean of St. Norbert College from 1967 to 1978.

The Leonard Ledvina Outstanding Teacher Award **Michelle Schoenleber, Ph.D.**

Leonard Ledvina '43 devoted his life to education, both as a student and as an educator. This, combined with his special affection for St. Norbert, led him and his family to establish the Leonard Ledvina Outstanding Teacher Award at St. Norbert College. The award recognizes and rewards faculty who have reached the highest level of achievement in fulfilling the college's first academic priority: dedication to excellence in teaching. The recipients are chosen by the president, based on the recommendations of the divisional deans and the vice president for academic affairs of the college.

The Bishop Robert F. Morneau Community Service Award **James Harris, Ph.D.**

This award publicly recognizes and rewards a faculty member who has made significant contributions to the betterment of the community through his or her own service on a local, regional and/or state level. The primary motivation of the recipient should be a concern for the enrichment of the community rather than any personal gain. The recipient is chosen by the president in consultation with the deans of each academic division and the vice president for academic affairs of the college.
