We realize the social aspect of having a meal together is one of the best parts of the day for SNC students. We have engineered all of our venues so that students can safely enjoy a meal together

- ★ Observe the 6' of physical spacing between seated guests designated by the table stickers
- ★ Roommates, teammates or other close contacts must sit 6' apart when sitting in public dining spaces to minimize exposure
- ★ Wear your mask until seated at a table. Put your mask back on whenever you leave the table.
- ★ Wash or sanitize your hands before entry or re-entry. Stow phones once your hands are clean.
- ★ NOW AVAILABLE! Mobile [ID cards](#), building entry and meal plan entrance available on the TouchNet One Card mobile app. Download for [iPhone](#) or [Android](#) for contactless entry
- ★ All dining venues will be *cashless* accepting meal plans, Meal Dollars, Custom Cash, credit or debit cards, but no physical cash sales due to handling risks
- ★ Greater community events are currently suspended in order to offer our conference spaces for meal plan student dining. Guest and visitor access of Ruth's is currently prohibited.
