

REH GOLDEN TICKET

GOLDEN TICKET for on-campus housing

The on-campus housing GOLDEN TICKET will allow students to select housing 15 minutes prior to their assigned housing group classification selection time. There will be three GOLDEN TICKETS issued. One ticket will be issued for each of the following housing selection dates.

Tuesday, April 9, 2019

Tuesday, April 16, 2019

Tuesday, April 23, 2019

RULES:

- All individuals or group members need to complete an on-campus housing application and be confirmed as roommates by Tuesday, March 26, 2019. Individuals and group members who do not complete a housing application by March 26 are not eligible for the drawing.
- This ticket does not apply to the application process or permission given for off-campus or commuter status. Students cannot use the golden ticket to be granted automatic off-campus or commuter status.
- There is one golden ticket selected per day for all the housing classifications selecting housing that day.

The classifications are as follows:

- All fourth year groups/individuals
- All fourth/third year groups/individuals
- All third year groups/individuals
- All fourth/third/second year groups/individuals
- All second year groups/individuals

GOLDEN TICKET - DRAWING EXAMPLE

Only one golden ticket will be issued on April 9. The two group classifications scheduled to select housing on April 9 are ALL fourth year groups and ALL fourth/third year groups. For example, the one ticket drawn on April 9 happened to be an ALL fourth year group. The ALL fourth year group would select their housing 15 minutes prior to the first scheduled time of ALL fourth year groups. In this example, there would not be another ticket drawing or Golden Ticket issued for the ALL fourth/third year groups/individuals classification.

Example Note. If an ALL Fourth/third year group received the winning ticket on April 9 instead of the ALL Fourth year group, the ALL Fourth/Third year group would select at the beginning of the ALL Fourth/Third year group selection times on April 9, not at the beginning of ALL Fourth Year groups.
