

College House FAQs

Where can I park?

Students can park in the driveway, but not every house has enough space to accommodate a car for every resident. Follow this [link](#) to see how many cars can fit into each house's driveway.

Students cannot park over the sidewalk or park vehicles in the garage. Students will not have access to the garage so do not plan on using it or storing anything in it.

When a student's vehicle needs to be moved, students are allowed to park in any of the student lots for the designated time. Students will be notified of any vehicle moves 24 hours in advance by either an Area Coordinator, Facilities, or Campus Safety.

Students are not responsible for mowing the lawn. **HOWEVER**, in the winter, students are responsible for the upkeep of the property. This means shoveling the driveway, porch, and steps.
