#### Section B - Coordination of Benefits

- You must complete a separate claim form for each pharmacy used and for each patient.
- You must submit claims within one year of date of purchase or as required by your plan.

### When submitting an Explanation of Benefits (EOB) from another Health Plan or from Medicare:

If you have not already done so, submit the claim to the Primary Plan or Medicare. Once the EOB is received, complete this form, submit the original prescription receipts, and attach the EOB from the Primary Plan or Medicare, which clearly indicates the cost of the prescription and what was paid by the Primary Plan or Medicare.

#### When submitting a copay receipt:

If your Primary Plan is one in which a co-payment or coinsurance is paid at the pharmacy, then no EOB is needed. Just complete this form and submit the prescription receipt(s) that shows the co-payment or coinsurance amount paid at the pharmacy. The receipt(s) will serve as the EOB.
