

Welcome to Fresh Ink 2022!

The annual Fresh Ink Concert is an opportunity for all composers at SNC to showcase the music they have created. The student composers include both music majors and non-majors, as well as those actively studying composition.

In the spirit of *communio*, the concert will feature a multitude of student performers, including those of the Jazz Band and Wind Ensemble, as well as faculty performances and direction from Eric High, Philip Klickman, Jamie Waroff, Elaine Moss, and Steve Westergan.

This year, the concert also includes new works by finalists selected in the inaugural SNC Composition Competition. The competition received submissions from high school students all over the state of Wisconsin, and one winner will be announced during this afternoon's concert.
