1 Hail, to thee, St. Nor - bert Col - lege, Held in God's pro - tec - ting hand;
As the ri - ver chang'd with seas - sons, So our lives may al - ter, too;
Now the spark's been lit with - in us, We go forth to share the flame;

5 Mem' - ries of the past will guide us, Give us strength to take our stand.
Loy - al - ty to your high pur - pose Keeps us stea - dy, keeps us true.
Spread - ing light to all a - round us, Through the pro - mise of your name.

9 **Refrain**
Hail, St. Nor - bert, how we love thee, As we face the fu - ture, strong; — Faith and hope,

14 love and cou - rage; 'Tis of thee we raise our song.
