## For Climate Change questions - please see data from past surveys at the end of this document.

9. When thinking about current effects of climate change or global warming, would you say that these effects around the world are currently

|  | Sp '17 | Sp ‘07 |
| :---: | :---: | :---: |
| Very Serious. | 53\% | 44\% |
| Somewhat Serious. | 30\% | 39\% |
| Not Too Serious | .11\% | 11\% |
| Not at All Serious.. | . $6 \%$ | 4\% |
| Not Sure | 1\% | 3\% |

10. When thinking about climate change over the last 50 years, do you think the effects are primarily due to human activities, primarily natural changes in the environment, both equally, or neither - that climate change has not been occurring?

|  | Sp '17 | Sp '14 | Sp '07* |
| :---: | :---: | :---: | :---: |
| Primarily Human Caused. | ..44\% | 33\% | 54\% |
| Primarily Natural | 13\% | 22\% | 27\% |
| Both Equally | 34\% | 36\% | 15\% |
| Not Occurring | 8\% | 5\% | NA |
| Not Sure | 1\% | 4\% | 4\% |

*Somewhat different question wording - see question wording on p. 16
11. Would you say that the science about climate change is
Very Certain .............................................................. $38 \%$

Very Certain .............................................................................................................................
Not too Certain................................................................................... $14 \%$
Not at all Certain ............................................................12\%
Not Sure .......................................................................2\%

Sp ' 14 Sp ${ }^{\prime} 07^{*}$
33\% 54\%
$22 \% \quad 27 \%$
$36 \% 15 \%$
NA
$4 \%$ 4\%
12. For the following issues, how much would you say you worry about each one: a lot, some, not much, not at all

|  | Worry <br> A Lot | Worry <br> Some | Not <br> Much | Don't Worry <br> at all | Not <br> sure |
| :--- | ---: | :---: | :---: | :---: | :---: |
| Environmental problems like air and water pollution | $45 \%$ | $38 \%$ | $11 \%$ | $6 \%$ | $<1 \%$ |
| How fast technology is changing | $25 \%$ | $36 \%$ | $21 \%$ | $18 \%$ | $<1 \%$ |
| Illegal Immigration | $33 \%$ | $28 \%$ | $27 \%$ | $12 \%$ | $1 \%$ |
| Climate change | $39 \%$ | $35 \%$ | $15 \%$ | $10 \%$ | $1 \%$ |
| A school shooting like Virginia Tech, Sandyhook, or San <br> Bernadino? | $63 \%$ | $25 \%$ | $7 \%$ | $5 \%$ | $1 \%$ |
| The country moving away from traditional values | $53 \%$ | $27 \%$ | $8 \%$ | $10 \%$ | $2 \%$ |
| The political climate in the US | $57 \%$ | $32 \%$ | $6 \%$ | $4 \%$ | $1 \%$ |
| The ability of the US to maintain its position in the world | $37 \%$ | $42 \%$ | $10 \%$ | $9 \%$ | $3 \%$ |

For the Crosstabs below, all relationships are significant except school shootings - in the WI population there is no difference on amount of worry about a school shooting between different partisan identifications

## FOR DEMOCRATS

|  | Worry <br> A Lot | Worry <br> Some | Not <br> Much | Don't Worry <br> at all | Not <br> sure |

## FINALLY, JUST A FEW QUESTIONS ABOUT YOU:

For the next 3 questions - please see the tables below for data on these questions from past surveys
13. Generally speaking do you consider yourself to be a Democrat or Republican?

Democrat........................................................................... $41 \%$
Republican ......................................................................... $31 \%$
Independent (volunteered) ................................................ 17\%
Other .................................................................................. 10\%
Not Sure ............................................................................ $1 \%$
14. Compared to a year ago, do you feel that you are financially better off now, or worse off now than a year ago?

Better off now .45\%
Worse off now .................................................................... 17\%
Same (volunteered) ............................................................. $36 \%$
Not Sure ............................................................................... $2 \%$
15. Do you expect that at this time NEXT year you will be financially better off than now, or worse off than now?

Better off than now ............................................................ $53 \%$
Worse off than now............................................................. $19 \%$
Same (volunteered) ............................................................ 20\%
Not Sure ............................................................................. 8\%
16. Please tell me whether you generally agree or disagree with this statement: Even though we live in a democracy, a few people will always run things anyway.

Agree
$.73 \%$
Disagree............................................................................. $25 \%$
Not Sure ............................................................................ $2 \%$
\% Agree by partisan identification (Not statistically significant - cannot infer sample results below to the population)

| All | $73 \%$ |
| :--- | :--- |
| Democrats | $78 \%$ |
| Republicans | $63 \%$ |
| Independents | $72 \%$ |

What would you say is your primary source of news:
Local broadcast tv news ................................................ 19\%
National broadcast tv news ............................................ $11 \%$
Cable tv news ............................................................... $15 \%$
Local newspaper............................................................3\%
Social media ................................................................. 13\%
Other online sources...................................................... $8 \%$
News Radio .................................................................. $6 \%$
Talk Radio .................................................................... $7 \%$
Other............................................................................. $3 \%$
Mix (VOL) .................................................................... $15 \%$
Not Sure ........................................................................ $<1 \%$
17. Of the news source you cited in the previous question, what is the specific source? For example, if you said cable news, is it CNN, Fox, MSNBC etc., if it's your local tv station, is it the ABC, NBC etc... affiliate, or if you said social media is it Facebook, Twitter etc..

Local Broadcast News:
46\% ABC
$31 \%$ Fox
$17 \%$ CBS
6\% NBC
National Broadcast News:
$38 \%$ ABC
$25 \%$ CBS
$25 \%$ NBC
13\% PBS
Cable News:
43\% Fox
$39 \%$ CNN
12\% MSNBC
6\% HBO
Social Media - $90 \%$ was facebook, others were news sources
Other Online Sources:
45\% Fox
18\% CNN
14\% HuffPo
Various others
News Radio - Half were NPR/WPR rest were scattering
Talk Radio - almost all local; a couple said Rush Limbaugh
18. Thank you so much for your time. We really appreciate your cooperation. Respondent's gender. (DO NOT ASK!!!)
Male .............................................................................. $49 \%$
Female........................................................................... $51 \%$

AREA CODE:
262...................................18\%
414.............................................
608......................................19\%
715...................................24\%
920...................................23\%

Spring 2007
Next, I'd like to ask you some questions about your views on global warming /climate change.

1. Would you say that you strongly support, somewhat support, somewhat oppose, or strongly oppose emission limits for carbon dioxide and other greenhouse gases for utilities and vehicles similar to the limits we have for other pollutants?

| Strongly Support | 51\% |
| :---: | :---: |
| Somewhat Suppor | 26\% |
| Somewhat Oppose | 7\% |
| Strongly Oppose | 9\% |
| Not Sure | 7\% |
| Refused | . $0 \%$ |

2. Would you say that current effects of global warming or climate change are....
Very Serious ..... $44 \%$
Somewhat Serious ..... $39 \%$
Not Too Serious ..... $11 \%$
Not At All Serious ..... 4\%
Not Sure ..... 3\%
Refused ..... 0\%
3. Do you think climate change is caused more by natural changes in the environment OR by human activity?

| Natural Changes | 27\% |
| :---: | :---: |
| Human Activity . | 54\% |
| Both (vol.) | 15\% |
| Not Sure | 4\% |
| Refused | 1\% |

4. How well informed would you say you are about global warming

Very Well Informed ................................................................ 21\%
Somewhat Well Informed ........................................................ 58\%
Not Very Well Informed ......................................................... 17\%
Not At All Informed................................................................. 3\%
Not Sure ....................................................................... 1\%
Refused ...................................................................... $0 \%$
19. From what you've read and heard, is there solid evidence that the average temperature on earth has been getting warmer over the past four decades?
Yes, solid evidence ..... 51\%
No, not solid evidence ..... 42\%
Not Sure ..... 8\%
Refused ..... 0\%

Sp 14

1. When thinking about climate change over the last 50 years, do you think the effects are primarily due to human activities, primarily natural changes in the environment, both equally, or neither - that climate change has not been occurring?
Primarily Human Caused ..... 33\%
Primarily Natural ..... 22\%
Both Equally ..... 36\%
Not Occurring ..... 5\%
Not Sure ..... 4\%
Refused ..... 0\%

## Government Trust Tracking Questions

## Sp 14

1. How much of the time do you think you can trust the state government in Madison to do what is right? Would you say ......

2. How much of the time do you think you can trust the government leaders in Washington DC to do what is right? Would you say ......
